ACCREDITED  
TEACHER EDUCATION

\*Walden University is accredited by the National Council for Accreditation of Teacher Education (NCATE). This accreditation covers initial teacher preparation programs and advanced educator preparation programs. As a recognized standard of excellence in professional education for the preparation of teachers, administrators, and other P-12 school professionals, NCATE accreditation ensures that the institution has met rigorous national standards set by the profession and members of the public. However, the accreditation does not include individual education courses offered to P-12 educators for professional development, licensure, or other purposes.
