* Please see the calendar on the next page for sessions currently available for registration.

If you would like to request one of the virtual, instructor led PD sessions listed above, please click on the link below: PQA-Online-Professional-Development-Application

* You can choose to keep these PD sessions private to your program; however, if you have less than 10 staff members attending a session, it will be opened to the public so other providers can register.

How to register for a training session:

- Login to the PD Registry to register for the self-paced online and virtual sessions: PA-Keys-PD-Registry. Once logged in, click "Search Training Events," type in the Event ID number and hit enter on your keyboard (or click the search button). The fee for each session is $7 per attendee.

- Upon registering for a scale-specific PD (FCCERS-R, ITERS-R, ECERS-R, ECERS-3, SACERS-U), you will be provided with a book order flyer; directions about this are in the training event details. Follow the directions on the flyer and you will receive a free ERS scale book to use during the training session and within your program.
