

Using Global Art in Your Work with Children and Families!

SQ.3.4.6 and FC.3.4.4

Join us for this interesting session on exploring global art and children's literature! We will create art and identify books which can be shared with the children in your care. We will also brainstorm and identify how to share these global experiences with parents of the children in your care. This is in support of SQ 3.4.6 and FC 3.4.4:

Staff Qualifications and Professional Development and Partnerships with Families and Communities.

Date: November 4, 2017
