Community Connections for Children

ECE Credential Support

Do you need one-on-one support to complete your credential?

WE CAN HELP!

Individuals can request on-demand credential support. Up to 3 support requests can be made between July 1 - June 30 each year. Only 1 'in-person' support request will be accommodated per individual, per year. Virtual requests will be conducted via phone or virtual meeting.

Support sessions will be scheduled within 48 hours of the request. Sessions will be approximately 1 hour.
