# One Book, Every Young Child

## 2018 Title

### ***My Cousin Momo***

By: Zach OHora

Momo is coming to visit, and his cousins are SO excited! But even though Momo is a flying squirrel, he won't fly for his cousin's friends. Plus, his games are weird. He can't even play hide and seek right. But when Momo's cousins give his strange ways a chance, they realize that doing things differently can be fun...almost as much fun as making a new friend.

#### **One Book, Every Young Child Program Goal:**

To increase awareness of the importance of reading and engaging children in stories among adults with preschoolers in their lives.

How can we reach our goal? By asking adults with preschool children in their lives to read and talk about **My Cousin Momo** during April 2018.
