Community Connections for Children

EARLY LEARNING RESOURCE CENTER
OFFICE OF CHILD DEVELOPMENT AND EARLY LEARNING

AGES & STAGES PD

ASQ-3 & ASQ:SE-2

Participants will learn the purpose of the ASQ-3 & ASQ:SE-2 Questionnaires, how to use them as screening tools, and how to communicate results to families. They will get an overview of the tools and will practice scoring both. Staff will also learn how to provide follow-up and referral considerations with families. Reflective discussions and activities during the training will help participants to apply the information.
