Healthy Sexual Development in Young Children

K1.2 C2 & K1.3 C3

The purpose of this course is to give an overview of healthy sexual development in young children. Particular attention will be paid to preschool children and the preschool classroom.

This course will define both typical sexual development milestones and concerning behaviors that may arise in the classroom. How to support a sexually safe and inclusive classroom will also be addressed.

"I Can Problem Solve" in Preschool Classrooms – 3H

K1.1 C2, K1.2 C2, K1.4 C2

Developed by Myrna B. Shore, this is a culture-free based program that teaches preschool-aged children HOW to think in ways that help them solve typical everyday problems that arise with peers and adults. The goals are to decrease children's challenging behavior in the classroom and to increase social and emotional learning, focusing on academic achievement.
