2022-2023 – Late Start CDA Child Development Associate Course

CDA Location / Instructor	Program Dates & Times	Registration Deadline
HACC – Camera on Zoom Meetings Sharon Emerick	Thursdays and every other Monday 6:00 pm to 9:00 pm November 17, 2022 to June 22, 2023 Detailed Calendar is attached below.	November 10, 2022

The expectation of our remote courses is that students would be prepared to provide undivided attention to the class instructor and their classmates, participate in activities and discussions, and maintain a presence in the classroom; with cameras on and in appropriate settings. (For example: being at Walmart during class time is not an appropriate setting.)

If needed, guidance can be provided on how to use a virtual background on Zoom meetings.

If you have PDO questions, please contact a professional development coordinator through the PDO@PASSHE website. They are there to assist you.

Credentials earned after taking a HACC facilitated preparation course can be applied to the ECE AAS degree program at HACC for **10 college credits!** This is equivalent to three courses toward your degree at no additional cost to you!
