

White Plains Home Safety Initiative

Provides FREE Smoke & Carbon Monoxide Detectors

SMOKE & CARBON MONOXIDE DETECTORS SAVE LIVES!

Protect your family, your home & neighborhood

The White Plains Home Safety Initiative Provides FREE Smoke & Carbon Monoxide Detectors to White Plains homeowners earning up to 60% of Area Median income who are not already participating in the City's Home Rehabilitation Program. Detectors are required by law.

Call the Community Development Office Today!

To learn if you qualify for FREE smoke & carbon monoxide detectors and installation. Contact the City of White Plains Community Development Office at 914.422.1300 or the Building Department at 914.422.1269 to determine your income eligibility for this program.
