On Canada Day, let celebrate not only Canada as a whole but also Niagara-on-the-Lake by raising the Town flag along with the Canada Flag.

Based on demand from various sectors, we are putting together a program to sell this Town flag (size 3 x 5 feet) for the very low price of \$25.00 per flag. Note that this NOT a Town initiated project but one that I (Councillor Arsenault) am spearheading with help from colleagues and the NOTL Air Cadets with all profits going the NOTL 809 Newark Royal Canadian Air Cadet Squadron.
