---

### AGENCY INFORMATION

We of the A Plus Family and Community Services work with a passion, ignited by the youth and families of our communities who struggle with mental and behavioral health challenges and are at risk of being placed out of their homes. We recognize the youth in our communities, both male and female, between the ages of 0 – 21 and their families possess a wide range of mental health and behavioral health challenges that may affect their day to day functioning, perception of situations, and possibly their financial stability. We engage families with these challenges to seek out their needs, strengths, and aspiration in order to equip them with the skills, knowledge, and services needed for them to SOAR.

Our mission is to develop stronger and more knowledgeable communities, protect the mutual welfare and stability of our youth and families, and overall independence of our youth.

---

### RESPONSIBILITIES

The Medical Director has the following responsibilities or designates the duties to a qualified practitioner:

- writes the admission and discharge orders;
- writes and approves all prescription medication orders;
- develops, implements and provides education regarding the protocols for administering prescription and non-prescription medications on-site; if applicable
- provides consultative and on-call coverage to ensure the health and safety of clients; and
- collaborates with the client's primary care physician and psychiatrists as needed for continuity of the client's care;

---
