For Immediate Release

I-10 Pavement Rehab near Desert Center

Riverside, CA – The California Department of Transportation (Caltrans) continues work on the pavement rehabilitation project from Desert Center (PM 104.9) to west of Wiley's Well Rest Area (PM 134) on Interstate 10 (I-10). Weather permitting.

Holiday schedule: No lane closures until January 16 at 6:00 p.m.

Regular hours: Monday - Friday – 5:00 a.m. to 5:00 p.m. and 9:00 p.m. to 5:00 a.m.

- **9:00 p.m. to 5:00 a.m. nightly** – Closure of eastbound lane 1 on the I-10 will be in place at Corn Springs Road. Motorists are advised to slow for the merging traffic and use caution throughout the area.
- **Day and night** eastbound/westbound intermittent lane closures near Ford Dry Lake for k-rail relocation.
- **Through January 19** - The eastbound Corn Springs Road on and off ramps will be closed for reconstruction of the ramps.

EB detour lanes in place: Eastbound traffic has been shifted from the I-10 eastbound mainline to the temporary eastbound detour road from Desert Center to Alta Ditch.

Crews continue performing concrete paving and shoulder grading at various locations, throughout the entire work zone, which spans from Wiley's Well rest area to Desert Center.

Watch for construction signs. Motorists should be aware of crews going in and out of the project zone. During these hours, crews may close lanes and ramps intermittently for safety.
