Date: December 12, 2025
Alert #: 25-1180
District: 8 Riverside/San Bernardino
Project ID: 08-1R730
Contact: Jaspinder.Hampal@dot.ca.gov
Phone: (909) 383-4553

FOR IMMEDIATE RELEASE

Emergency Project on State Route 138 24/7 Reversible Lane Closure

SAN BERNARDINO COUNTY— The California Department of Transportation (Caltrans) continues the emergency project to install a drainage system along State Route 138 (SR-138) between postmiles 18.9 and 19.5, approximately 0.3 miles west of Summit Office Rd in San Bernardino County. *Weather permitting.*

This emergency project is critical to preventing water from crossing the highway during rainfall and flooding events. By installing an improved drainage system, the project will enhance roadway safety, protect the traveling public, and help maintain traffic flow during severe weather conditions.

Closure Locations: 24/7 reversible lane closures between Summit Post Office Road and Wagon Train Road. Flaggers will assist traffic flow. Expect 10-minute wait for one-way traffic.

Signs will be posted to alert motorists of work ahead. Some work will occur behind k-rail

barriers. During construction, the eastbound lane and shoulder will be closed.

Please adhere to all road closure signage to ensure the safe transport of equipment and crews.

Know before you go! To stay on top of roadwork in the Inland Empire, follow us for the latest information on [Facebook](#) and [X](#). To assist in planning your commute, view live traffic conditions using [QuickMap](#).

For those with sensory disabilities requiring alternate formats (i.e. Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Caltrans Public Affairs at 909-383-4631 or TTY 711.
