Soft Stop End Treatment With MGS Guardrail

City of Corona State Route 91

RIVERSIDE, CA – The California Department of Transportation (Caltrans) continues work on a \$1M safety project on State Route 91 (SR-91) in Corona near McKinley Street. This project will install SoftStop end treatments with Midwest Guardrail System (MGS) between Promenade and McKinley Street.

Work will occur on eastbound SR-91 between I-15 and McKinley Street in Corona, Monday through Thursday from 9 p.m. to 5 a.m. Alternating lane closures, on/off ramp and shoulder closures may close within the work zone.

Know before you go! To stay on top of roadwork in San Bernardino and Riverside County follow us for the latest information on [Facebook](#) and [X](#). To assist in planning your commute with live traffic conditions use [QuickMap](#). For those with sensory disabilities requiring alternate formats (i.e. Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Public Affairs at 909-383-4631 or TTY 711.
