FOR IMMEDIATE RELEASE

State Route 38 Emergency Project near Angelus Oaks

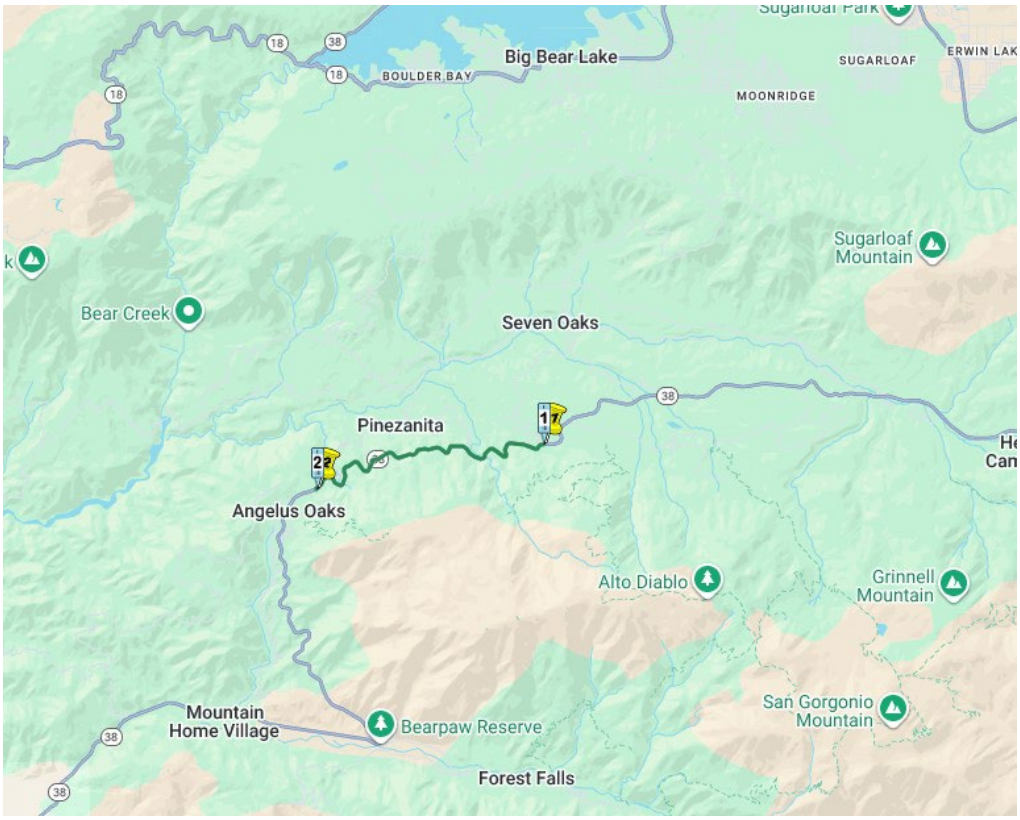

SAN BERNARDINO COUNTY — The California Department of Transportation (Caltrans) alerts the public that the emergency project on State Route 38 (SR-38) will resume to repair damages that were caused by Tropical Storm Mario. *Weather permitting.*

The contractor will resume repairs, with work scheduled Monday through Friday, from 6:00 a.m. to 4:00 p.m. One-way flagging traffic control will be in effect near the main washout at Postmile 23.90 as crews repair three culverts within the turnout area and perform slope stabilization.

Portable Changeable Message Signs (CMS) will be placed along State Route 38 to notify motorists of upcoming work. Travelers are urged to use extreme caution when passing through the area, as it remains an active construction zone, including nighttime hours and weekends when crews may not be present.

Know before you go! To stay on top of roadwork in the Inland Empire follow us for the latest information on Facebook and X. To assist in planning your commute, view live traffic conditions using QuickMap.

For those with sensory disabilities requiring alternate formats (i.e. Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Caltrans Public Affairs at 909-383-4631 or TTY 711.
