FOR IMMEDIATE RELEASE

Culvert Repairs on State Route 330 near Running Springs

SAN BERNARDINO COUNTY— The California Department of Transportation (Caltrans) continues with phase 2 culvert repairs and mudslide removal on State Route 330 (SR-330) caused by the Line Fire. *Weather Permitting.*

Crews will continue to focus on installing pipe risers and cable anchors all in part of our culvert systems, slope stabilization, fiber roll installation, weed removal and hydroseed installation. Work will take place from Monday, June 9 through Friday, June 13, 2025, between 7:00 a.m. to 4:00 p.m. This project will require a flagging operation to be placed from postmile 34 to postmile 41.82 at Live Oak Avenue.

Drivers, please be mindful when passing through the construction zone. Flagging operations are scheduled to occur at daytime hours at various locations. Please reduce your speed when near work areas for the safety of crews and other drivers on the route. Signage will be placed ahead to indicate approaching roadway work.

Know before you go! To stay on top of roadwork in the Inland Empire go to [Caltrans District 8](#) and sign up for commuter alerts. Follow us for the latest information on [Facebook](#) and [Twitter](#). To assist in planning your commute, view live traffic conditions using [QuickMap](#) and [planned lane closures](#).

For those with sensory disabilities requiring alternate formats (i.e. Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Caltrans Public Affairs at 909-383-4631 or TTY 711.
