Route 247 Roadway Improvement Work Coming to Yucca Valley Spring 2025

SAN BERNARDINO – The California Department of Transportation (Caltrans) announces work on a \$21.9 M pavement rehabilitation and shoulder widening project on State Route 247 (SR-247). This work is funded through Senate Bill (SB) 1, the Road Repair and Accountability Act of 2017.

The project will improve road conditions with a pavement mill and overlay, outside shoulders widened to 8-foot, drainage improvements at three pre-determined locations, and striping and placing shoulder signage for Class II bike lanes as part of Complete Streets elements ensuring safe accessibility for all roadway users.

Construction signs have been placed, as well as clearing in shoulder areas and placement of high visibility fencing for environmental

protected areas. Work operations will occur near Yucca Valley from the State Route 62 Junction to Gin Road. Project work is expected to be complete by fall 2025.

Week of August 10th Work Schedule: Nightly paving operations continue from Sunday to Thursday 7:00 p.m. to 6:00 a.m. Northbound SR-247 lane closures with flagging operation will begin near Gleason Rd. Friday and Saturday night work may occasionally be required from 7:00 p.m. to 6:00 a.m.

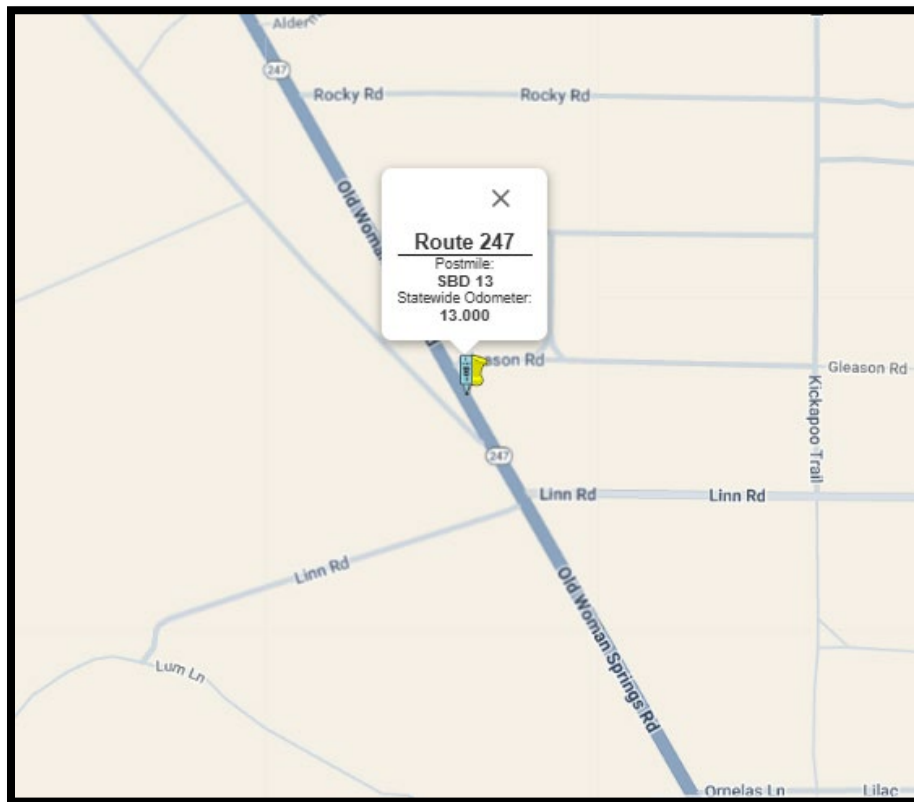

Figure 2 Gleason Rd. Map Location

What to Expect: Expect delays as traffic control will be located at various locations. Approximate flagging wait times per side are expected to be 20 min. Plan-ahead and please be mindful of work area signage as law enforcement will enforce applicable laws and regulations. Nighttime shoulder work. Please proceed cautiously as work vehicles and crews may move in and out of shoulder areas for backfill operations.

Construction schedule subject to material availability and weather conditions.
