FOR IMMEDIATE RELEASE

Emergency Repair Work Scheduled on I-15

May - June 2026

SAN BERNARDINO — The California Department of Transportation (Caltrans) continues an emergency repair project on Interstate 15 (I-15) near Cima Road Overcrossing (OC) in San Bernardino County. The bridge, originally built in 1961, is located at post mile (PM) 162.73, just south of the Mountain Pass area, approximately halfway between Baker, California and the Nevada State Line.

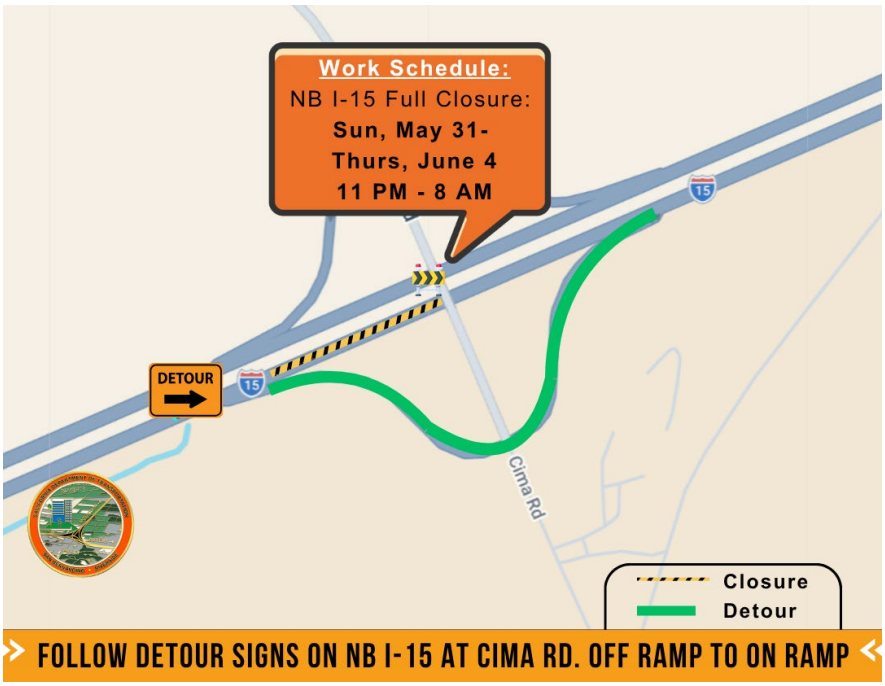

Crews will perform structural repairs to the overcrossing bridge to maintain safety and preserve the integrity of the structure. Work will focus on repairing damaged bridge components over the northbound lanes.

Lane Closure Schedule:

- **Cima Rd. Overcrossing: 1 lane street closure with reverse traffic control 24/7 with temporary traffic signal in place.**
- **Northbound I-15 FULL CLOSURE: Sunday, May 31 to Thursday, June 4: 11:00 PM to 8:00 AM (follow posted detour signs), as needed.**

Work is anticipated to be completed by Summer 2026.

Caltrans thanks the public for their patience while crews make sure our transportation system stays safe and dependable. Cozeep will be on scene to assist with traffic control and detour for northbound Interstate 15 commuters. **Signs will be clearly posted to inform drivers about upcoming work zones. Please obey all road closure signs to protect both construction workers and equipment.** Drivers should plan for possible delays and allow extra travel time.
