FOR IMMEDIATE RELEASE

Emergency Project on State Route 38 near Angelus Oaks

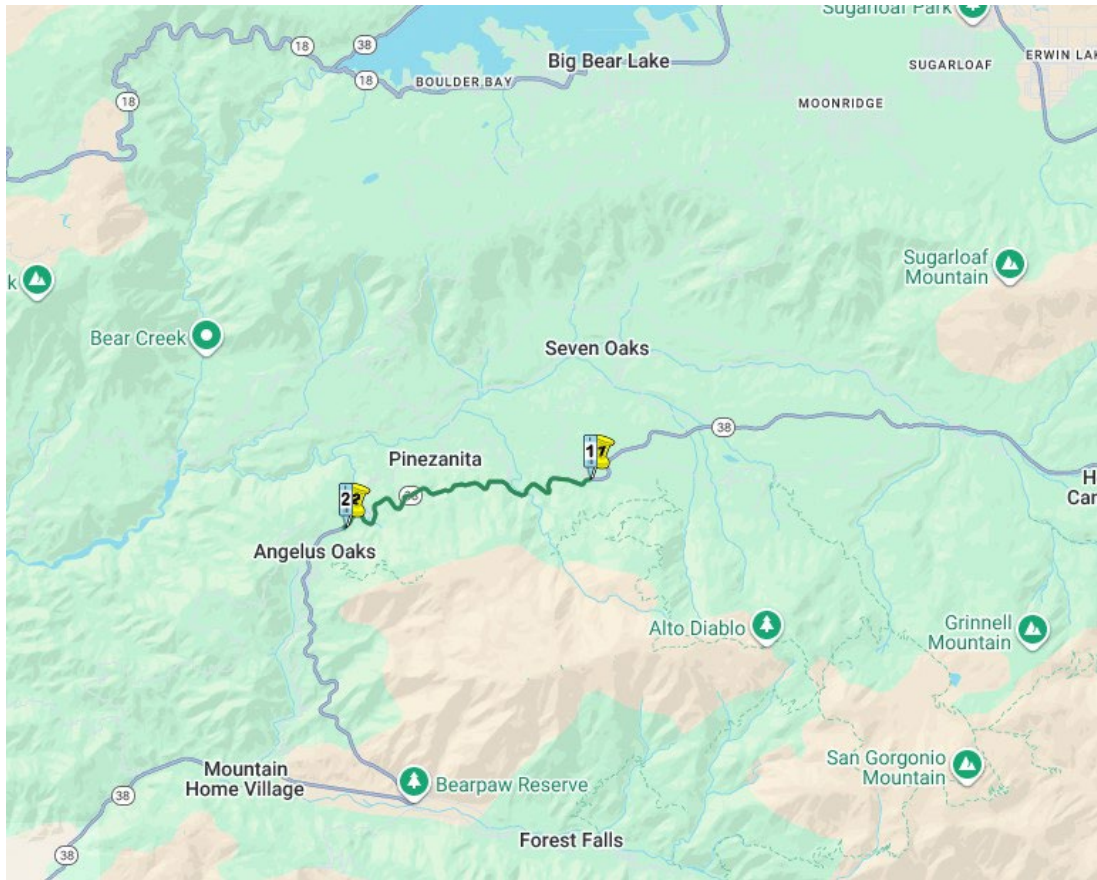

SAN BERNARDINO COUNTY — The California Department of Transportation (Caltrans) alerts the public that the emergency project continues on State Route 38 (SR-38) to repair damages that were caused by Tropical Storm Mario. *Weather permitting.*

To efficiently make repairs to culverts, basins, slopes, and debris flow barriers, beginning January 12, State Route 38 from Mill Creek Road (Middle Control Road) to Hills Ranch Road (Forest Road) will be under a **FULL CLOSURE, Monday through Thursday from 7:00 a.m. to 5:00 p.m. and on Fridays, one-way flagging control will be in effect**, which allows construction personnel to safely and effectively operate heavy equipment in narrow sections of the work zone. Angelus Oaks will remain accessible from Mentone and individuals coming from the north side of the closure will still be able to reach the camps traveling from Big Bear. Portable CMS signs will be in place along State Route 38, alerting travelers of the Road Closure.

The route will be open to travelers without restrictions from 5:01 p.m. to 6:59 a.m., and fully open on weekends. Motorists are urged to use extreme caution when traveling, as this remains an active construction zone.

Know before you go! To stay on top of roadwork in the Inland Empire follow us for the latest information on [Facebook](#) and [X](#). To assist in planning your commute, view live traffic conditions using [QuickMap](#).

For those with sensory disabilities requiring alternate formats (i.e. Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Caltrans Public Affairs at 909-383-4631 or TTY 711.
