FOR IMMEDIATE RELEASE

Lake Fire Road Closure on State Route 138 near Silverwood Lake

SAN BERNARDINO COUNTY— The California Department of Transportation (Caltrans) is alerting the public that State Route 138 (SR-138) is currently near Silverwood Lake due to the Lake Fire.

Since the fire remains active, Caltrans crews are conducting damage assessments as safely and thoroughly as possible within the burn scar. While we cannot yet determine the full extent of the damage, our engineering team is proactively exploring options to expedite both the construction process and the necessary funding. As soon as CalFire gives us clearance, we will be ready to begin repairs immediately.

State Route 138 is currently **fully closed** from **Old Mill Road** to **State Route 173**. Please **seek alternative routes** until further notice.
