Upgrades and Installation

SBCO and RIVCO Various Routes

SAN BERNARDINO and RIVERSIDE, CA – The California Department of Transportation (Caltrans) informs the public that construction contractors begin upgrade work on various routes. This is part of \$400K 1T080 safety project and \$430K 1T090 safety project to upgrade and install district wide highway advisory radio (HAR) and beacons.

On the week of December 22nd, there will be no work activity from Saturday (12/20) through Sunday (01/04) during the holiday season. Project will resume on Monday (01/05).

Closures are dependent on contractor receiving proper materials for each job function. They can be changed or canceled at any time. Weather permitting.

Drivers, please adhere to posted speed limits and signage informing of closures and roadwork ahead.
