FOR IMMEDIATE RELEASE

I-15 Pavement Rehabilitation from Hesperia to Victorville Emergency Lane Closures due to Weather

SAN BERNARDINO – The California Department of Transportation (Caltrans) continues work to rehabilitate 59 miles of lane, ramps, and drainage systems on Interstate 15 (I-15) in San Bernardino County. The project spans from Oak Hill Road in Hesperia to just south of Bear Valley Road in Victorville. Crews continue excavation and paving operations: north and southbound.

Emergency Closures

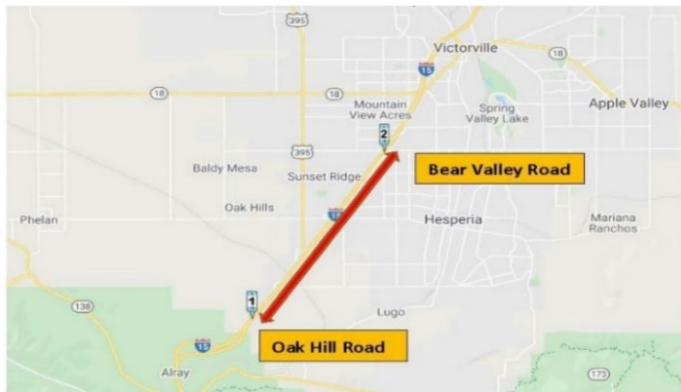

Tuesday, December 27 beginning at 1:00 p.m. through Wednesday, December 28 at 11:00 p.m.

Due to rain and possible flooding, the following closures will take place throughout the construction zone. Watch for signage. (Days and hours are subject to change due to changes in weather.)

- **NB and SB I-15 lane #1 will be closed from Oak Hill Road to Bear Valley Road.**

Be alert: Work trucks entering and exiting from center median. To avoid delays, use SR-138 to SR-18 in Phelan back to I-15 as a detour. Please use caution and remember to reduce your speed when approaching and driving through the construction zones.

See map on next page for project boundaries. The project is expected to be complete in early 2025.

Follow us for the latest information on [Facebook](#) and [Twitter](#). You can plan your commute and view live traffic conditions using [QuickMap](#) and [planned lane closures](#).

For those with sensory disabilities requiring alternate formats (i.e., Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Public Affairs at 909-383-4631 or TTY 711.
