FOR IMMEDIATE RELEASE

Drainage and Safety Upgrades
State Route 18
November 16-24

SAN BERNARDINO, CA — The California Department of Transportation (Caltrans) District 8 crews continue with the $4.9 million project to improve safety and roadway conditions at various locations along State Route 18. This project will take place at various locations between Snow Valley, the Arctic Circle, and Arrowbear Drive (post miles 34.0 to 44.3) in San Bernardino County.

Work includes:

- Removing and replacing culverts to improve drainage
- Installing changeable message sign (CMS) system
- Adding new guardrails for enhanced safety
- Performing structural concrete work
- Placing new hot mix asphalt paving

Work schedule:

Monday to Thursday from 7 AM to 3:30 PM.
Friday from 7 AM to 2:00 PM.

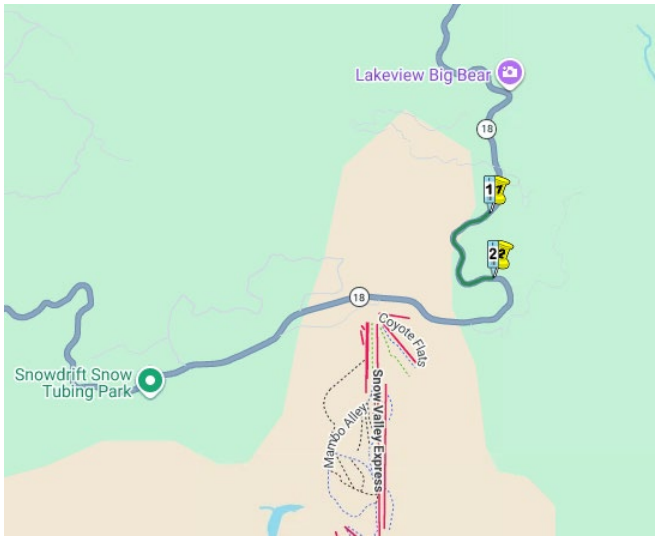

- **Alternating lane closures with traffic control will take place while crews perform culvert operations, placing new hot mix asphalt paving, replace guardrail, and CIDH drilling in the project zone.**

BE WORK ZONE ALERT

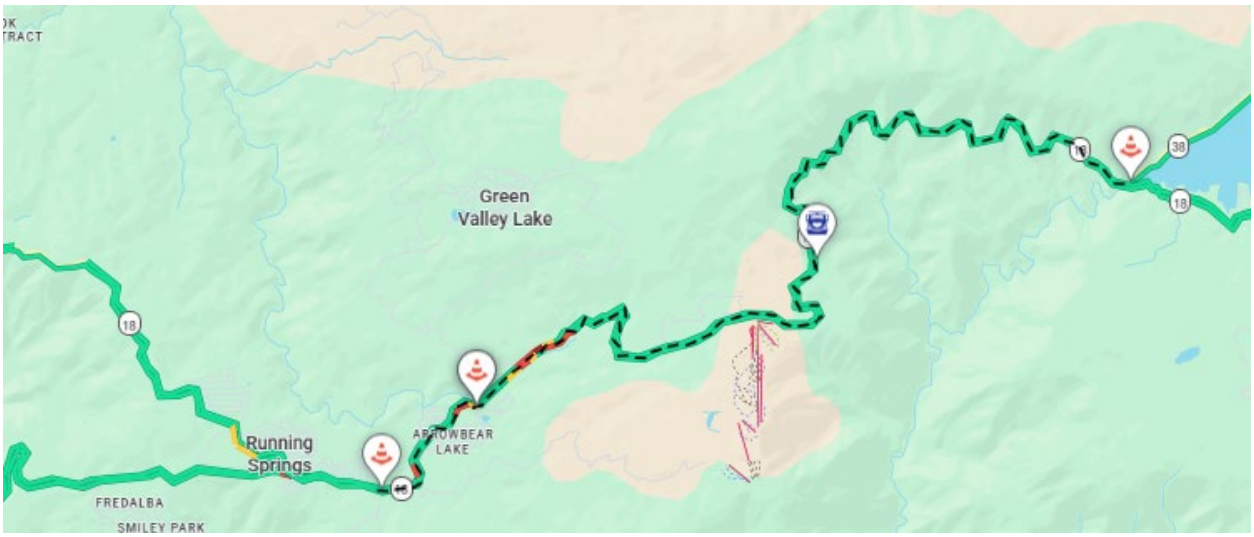

MOVE OVER

Traffic control HOLDS will last up to 15 minutes.

One way traffic control near Snow Valley.

Construction activities will require traffic control and lane closures, **and motorists should expect delays**. **Travelers are encouraged to plan ahead and allow extra time when traveling through the area**. **Drivers are reminded to reduce speed in and around the work zone and be advised that weather and other factors may affect the construction schedule.**

Know before you go! To remain aware of roadwork in the Inland Empire, please visit Caltrans District 8 and sign up for commuter alerts. Follow us for the latest information on Facebook and X. To assist in planning your commute, view live traffic conditions using the QuickMap app or website. For those with sensory disabilities requiring alternate formats (i.e., Braille, large print, sign language interpreter) and language translation needs, please contact Caltrans. Public Affairs at 909-383-4631 or TTY 711.
