For Immediate Release

Pavement Rehabilitation on I-40 in Needles December 22, 2025, through Jan 2, 2026

SAN BERNARDINO – The California Department of Transportation (Caltrans) crews will continue pavement rehabilitation work on Interstate 40 (I-40) near Needles after the holidays. This is part of a \$9.5 million project aimed at extending pavement life, improving ride quality, and enhancing safety for motorists. The project limits extend from Water Road to Park Road, approximately 2.9 miles west of U.S. Route 95. No lane closures will occur during the following holiday periods unless there is an emergency:

- December 24 - December 29 (Christmas holiday)
- December 31 - January 5 (New Year's holiday)

Emergency lane closures may still take place, and work may continue behind K-rail barriers as needed. Construction is expected to continue through early 2026. *The construction schedule is subject to change due to weather conditions and material availability.*

To stay on top of roadwork in the Inland Empire visit the [Caltrans District 8](#) website and Quick Map for real time updates. For those with sensory disabilities requiring alternate formats (i.e. Braille, large print, sign language interpreter, etc.) and those needing information in a language other than English, please contact Public Affairs at 909-383-4631 or TTY 711.
