

TALL SHIPS BOSTON 2026

PRIVATE CHARTER HARBOR CRUISE

Graceful, dramatic and powerful—the sailing ships of the 18th and 19th centuries known as tall ships have inspired writers and adventurers. As home of the most famous tall ship in the United States, the USS Constitution, Boston is an appropriate host of this gathering. Boston is once again welcoming crews and cadets from all over the world as the Tall Ship Fleet returns for Sail Boston 2026!

We will sail through Boston's historic harbor, capturing magnificent views of the fleet. We'll be viewing it all from the best vantage point possible—the water. We have chartered our own LOCAL boat from the World Trade Center historic district. Before our harbor tour, you will have time to explore the waterfront area and have lunch on your own.
