Well it appears spring has sprung with a few late winter hiccups! However, we can probably all agree this was a very interesting winter! Not too cold, not too much snow... seemingly quite bearable for most. As we look forward to opening, we are all excited about our plans for the upcoming 2024 season at Horseshoe Bay Farms which begins June 1st.

DC BOOKMOBILE CELEBRATION

JUNE 21ST FROM 3PM - 6PM

To celebrate the DC Bookmobile and our two organizations' collaboration, we are hosting an event for visitors to come see the bookmobile and hear about its upcoming adventures throughout Door County.

RESTORED GARAGE

Over the winter we have renovated the Firetruck Garage. We have added new siding to match with all our other buildings, replaced the garage door with a new glass viewing door, restored the masonry and added some new lighting. Many thanks to JAR Builders, Stauber Electric, Garage Door Services of Door County, Peninsula Property Management, N.E.W. Coatings and Dietzler Masonry for their efforts in getting the garage ready. Our 1927 Seagrave Firetruck will return fully restored in May. Both the Firetruck and the Bookmobile will reside in this garage. In addition, we hope to have both vehicles in the Egg Harbor 4th of July parade this year.

VOLUNTEERS NEEDED!!

Last year we had a solid group of volunteers that did amazing work. We already have more that have expressed interest over the winter.If you have volunteered before or already signed up, you will be hearing from us in the next 2 weeks. We have needs in the following areas: Welcome Center, Tour Guides, Car Show Event, Reunion Event, Stickwork Event, Bee Hive Care, Vegetable and Flower Gardens and Dahlia Planting/Dig Up Days. New this year for the Flower and Vegetable Gardens, we have Chore Boards. We will post different chores needed each week and you can come whenever you want, see what's needed. Once a task is completed you can erase it from the board. Any help you want to give is greatly appreciated!
