\*These items would have been purchased through the Grace budget if we didn't receive a grant. So they saved money directly from a line item in the budget. Each Thrivent grant provides \$250 toward the cost of supplies and materials for the event/project.

Items without an asterisk were either "wants" and wouldn't have been purchased OR they were a fundraiser and the cost of the meal/supplies would have been taken out of the fundraiser proceeds.

Many other Grace Thrivent members chose to donate their grant money to other non-profits and organizations that support a variety of wonderful causes in our community.

Thank you to all of our Thrivent members for supporting Grace's mission and the many outreach opportunities we participate in.
