

# Food Not Bombs

## FREE FOOD, NO QUESTIONS ASKED.

Beginning December 2018 we will be sharing fresh fruits, vegetables, and occasionally bread on the grassy lot at the corner of East 64th & St. Clair, in Cleveland, **the second and fourth Tuesdays of every month** from 5-6 PM, rain or shine.

**No ID, proof of residency, citizenship, or income is required.**

**Food Not Bombs** is a volunteer run, grassroots organization that believes everyone deserves access to good food, and shares free food worldwide. We want to see a shift away from endless war, and toward meeting people's basic needs. We are **not** a religious or governmental organization.

If you believe like we do that everyone deserves to eat, and want to find out more about how to **get involved** with our food shares, please visit [www.fb.com/fnbkc](http://www.fb.com/fnbkc) (viewable without a facebook account), text/call 440-340-3663, or email us at FNBeastCLE@gmail.com
