

Luke Reading Plan

The Gospel of Luke tells us the story of Jesus's time on earth through a series of snapshots, similar to how we collect photos in an album. Luke doesn't recount every moment of Jesus's life, but instead, he highlights some important moments for us. During our time together, we'll study some of those snapshots, but a comprehensive, verse-by-verse study of the book of Luke is not within the scope of this study. If you'd like to take the time to read the entire Gospel of Luke as you study, we've provided a supplementary reading plan for you. Happy reading!
