Dear Friends,

As we begin a new year, I want to start with a sincere thank you. Your generosity in 2025 made it possible for Paducah Cooperative Ministry to continue walking alongside our neighbors with compassion, dignity, and care. We are deeply grateful for your partnership.

Because of your support, PCM enters the year ahead with both momentum and purpose. Our mission remains clear: to meet the needs of neighbors experiencing homelessness, strengthen prevention efforts, and create pathways toward stability for individuals and families in our community.

In the months ahead, we are preparing to complete our Share a New Start Capital campaign and open our new emergency shelter and a client-choice food pantry, important steps that will help address a gap in services in McCracken County while expanding both access and dignity for the people we serve.

Included with this message is a brief 2025 impact snapshot, offering a look at what your support helped make possible over the past year. It reflects real people, real progress, and the collective care of a community committed to its neighbors.

As we look ahead, we invite you to stay connected. Following PCM on social media, sharing our newsletters with a friend, or volunteering your time are simple ways to remain engaged and strengthen the network of care that sustains this growing work.

Thank you for believing in PCM and for standing with our neighbors as we move into the year ahead. We are grateful to have you alongside us.

Yours in Service,

Lacy Boling
Executive Director
