Dear Camp Chanco family,

We are looking forward to welcoming your child(ren) to an exciting summer at Camp Chanco! Whether they're joining us for the first time or returning to their home away from home, we know they're in for a memorable experience full of friendships, faith, and fun.

We are incredibly excited to share this year's **Change for Chanco**, a beloved camp tradition and camper-led fundraiser that has been helping make camp even more amazing since 2008. Through Change for Chanco, campers have the unique opportunity to make a lasting impact on the place they love by helping choose and support enhancements to our camp programs—like paddleboards, climbing walls, and more!

This year's **Change for Chanco** is all about creating more comfortable, shaded hangout spaces. We're raising funds for **new picnic tables with umbrellas** to be placed near the canteen and game area—perfect for snack time and relaxing with friends between activities or before evening programming.

How Campers Can Participate:

In the weeks leading up to camp, your camper can collect donations from family members, neighbors, the church community, and friends who want to support their Chanco experience. Whether it's spare change, small bills, or a few larger gifts, every donation makes a difference! Then, donations should be submitted online by families before or at drop-off of the camper's session.

Donations can be made online via <https://givebutter.com/c4c25>, by scanning the QR code at the end of this letter, or by enclosing a check with your **camper's name and C4C** on the memo line.

A Little Friendly Competition:

To make it even more fun, each camper's contributions will count toward their assigned **campsite team**. The campsite that raises the most money during each session will win a **special ice cream party**—a sweet reward for their hard work and generosity!

No one is too young to make a difference at Chanco! Join in the fun and help us take our camp programs to new heights by making a successful Change for Chanco. Thank you in advance for participating in this camper-centered endeavor. CHANCO IS YOU!

Sincerely,

Gareth Kalfas
Executive Director
