# SPECIALTY SESSIONS AT CHANCO

**Mariner's Camp:** This is one of our most popular camp sessions often filling with a wait list! This session involves extensive skill building in sailing and nautical skills and is the perfect session for an older camper who would like a different Chanco experience and who loves being on the water! Due to a wait list for this session every year, there are now two Mariner's Camp sessions to choose from!

**Ropes Camp:** Challenge yourself to new heights on high elements and experience team building on the low ropes elements. This camp program will include more intensive ropes skill building, new and different ropes activities, more zip lining time, and a deeper understanding of the ropes experience. This session is perfect for someone aspiring to be a ropes course counselor.

**NEW Wilderness Adventure Camp:** A brand new session this year, Wilderness Adventure Camp for ages 10-14, this session will focus upon building wilderness survival skills, outdoor cooking skills, fire building, knot tying, orienteering and team building along with many favorite traditional camp activities. Interested in building a shelter in the woods and then sleeping in it? Then this session is for you! Join us for a NEW adventure at Chanco this summer!

**Family Camp:** This session offers campers of all ages a chance to enjoy camp together. It includes many of the favorite traditional activities and you choose how to spend your day! Stay in chalets or pay a bit more and stay in retreat lodges. This session is the perfect opportunity to introduce a new camper or reunite with camp friends. It is an incredible, affordable family vacation!

**Senior Week:** This session is for campers who have completed grades 9-12 and involves many of the traditional activities of camp along with special activities geared for the older camper. It is the perfect session for our older campers and our EYC friends who may have never attended camp before. Teens enjoy their favorite traditional camp activities along with NEW activities only our Senior High campers get to enjoy!

**SPECIAL NOTE:** The COVID-19 pandemic has certainly impacted all areas of our lives, and Camp Chanco is no different. We are incredibly excited to have the governor's approval for overnight camps to run this summer, but we also know Camp Chanco 2021 will look different ensuring we are following every safety protocol. As 2021 camp plans are developed we will be keeping our camp families informed with our Chanco Chatter eNewsletter, emails, and town hall Zoom meetings. And don't forget - with our new COVID registration policy, your deposit is no risk to you and ensures your spot at Chanco this summer!
