

**September 2018**

Greetings on the first day of September!

We hope your summer months have been filled with fun times, family gatherings, outdoor events and hopefully an ice cream cone or two! We have all been enjoying the summer months here at McLean, complete with barbecues, outdoor concerts and our weekly farmers market on Friday afternoons.

We look forward to one more opportunity to celebrate our new garden space and courtyard! We invite all to this celebration on September 6<sup>th</sup> at 6:00 pm. Music, great company and a Mr. Softee Ice Cream truck await you. Please join us. We have so loved our courtyard space this summer, and look forward to more drainage work being completed before the colder weather sets in.

September brings cooler days and an opportunity to enjoy the fall season. Rides in the country to look at beautiful foliage will be on the schedule, as well as a return to school with volunteer opportunities awaiting our residents at the Cobb School. We also look forward to thanking all of our many volunteers that enrich our lives in so many ways during our September Volunteer Recognition event! McLean is so very blessed to have so many caring individuals share their time with us each day!

As always, our doors are always open to you!
