

April 2019

Hello to All,

Will our April Showers bring May flowers? Here's hoping!

We look forward to some drainage work being completed in our Courtyard early this spring. Our consultants have told us that this drainage solution should correct the abundant water issues we have been experiencing. We look forward to warmer days and fully utilizing this amazing space.

We count ourselves lucky as there has been one flu outbreak this season, with one person impacted and no spread of illness. We have not let our guard down, however, as there is still much active flu in the community. Please do not visit if you are not well!

We are thankful for our well-attended Family Council meeting in late February. Our President, David Bordonaro, was delighted to share the news of our expansion plans with you! We look forward to seeing you at our next Council meeting which will be held on May 23 at 3:30 pm.

Our doors are always open!
