**David And Natalie Askew** are anointed worship leaders. Their ministry brings a powerful testimony to the presence of God as He manifests Himself in the hearts of believers. The Askews live in Muscle Shoals, AL with their three children.

**Dr. Gary and Barbara Rosberg** are sought after executive marriage coaches, award winning authors, popular radio hosts and beloved speakers and co-founders of the international ministry, America's Family Coaches where they directly address the needs of today's marriages. The Rosbergs have authored over a dozen prominent marriage and family resources. Married since 1975, Gary and Barb have two adult daughters, eight grandchildren and reside in Clive, Iowa.

**Dusty McLemore** is pastor of Linsey Lane Baptist Church in Athens, AL. He is a frequent speaker at conferences and revivals. Called to Lindsey Lane in 1992 as their bi-vocational pastor, he started his ministry with a total membership of 32. Today the church exceeds 2500 members and is helping to plant churches around the world.

**Rhett McKenzie** holds a Master of Arts in Marriage and Family Counseling. He believes that most of our issues stem from damaged relationships with God, self, and others. Our behaviors are dictated by the way we think about and perceive things. If we can change the way we think (a renewal of the mind), we can change our behaviors and strengthen our relationships.

**Rod Marshall** is a great communicator with a sense of humor and laid back style. He has spoken at conferences, retreats and churches throughout the southeast. Rod began his service with the Alabama Baptist Children's Homes (ABCH) in 1995 as a counselor. He oversaw Pathways Professional Counseling, helping it become the great ministry it is today and has served as the President/CEO of ABCH since 2012.
