

Lunch Coverage Support Needed

Since we are still unable to eat in the lunchroom, we are in need of parents to supervise the children during lunch only while in the classroom.

The time for lunch is 1 hour - 12Noon – 1PM
(parents would be covering 2 classes – ½ hour each)

This can be a paid or volunteer position.

Anyone who is interested must be VIRTUS trained and must either be vaccinated or have weekly testing (provided by the school)

**We do need the support and if you available to help our –
