

The Mission: Connecting People to Jesus

Discussion Guide

Getting Started:

Think back to your first experience with The Bridge Church. Does anything stand out in your mind? What drew you to take a step toward becoming part of the church family?

Digging Deeper:

Read Acts 8:26-40 together as a group.

In the sermon, we noticed three points:

1. Always assume God is at work in the lives of people.
2. Be willing to be uncomfortable to connect people to Jesus.
3. Remember the love of Jesus is very good news.

How do we see each of these points in Acts 8:26-40?

How will these points help us share Jesus with people who do not know him?

When we say "Connect People to Jesus," we immediately think of sharing the good news of Jesus with people who do not follow the Lord. But being connected to Jesus is also how we grow in our faith (see John 15:4-5)

How does sharing the Word, even when it's uncomfortable, also apply to encouraging each other to grow in Christ?

Apply the Word:

Who are you praying for that does not yet know the Lord?

Who can you share the Word with this week?

Next Week:

Core Value — Biblical Authority

Application — Memorize 2 Timothy 3:16-17
