

Core Value: Strategic Mission

Discussion Guide

Getting Started:

Reflect on last week. What did you experience as you focused on spending more time in the Word?

What is your first reaction when you hear the word “missions” or “missionary?”

Digging Deeper:

Read 2 Corinthians 5:16-21

What benefits of the gospel are mentioned in this passage?

What does it mean that God has given us the “ministry of reconciliation?” How does this relate to our core value of Strategic Mission?

Strategic Mission emphasizes our value to be strategic with missions partners around the world, meeting needs in our local community, and how each of us can find strategic ways to connect people to Jesus.

What are some ways The Bridge incorporates Strategic Mission locally and globally?

What are some ways each of us can apply this core value to our personal lives?

Apply the Word:

Share updates from the missionary given to your group. How can you pray? Are there any other steps you would like to take to encourage them?

Next Week:

Core Value: Spiritual Growth

Application: Spiritual Growth Inventory
