

August 26th, 2017  
Rozella Ford Golf Course  
Warsaw, Indiana

*All proceeds support the  
Scott "Bibs" Bibler Memorial Scholarships &  
Bibs Memorial Fund*

There is no greater legacy than to have positively impacted the lives of others. Scott Bibler did just that. He touched the lives of thousands of children throughout his career as a teacher, guidance counselor and coach. Friends described him as kind, funny, strong, inspiring and genuine. Scott's wife, Stephanie, said her family's message to others is "Set goals and go for them. But while achieving those goals NEVER lose your integrity or lose sight of your priorities."

The two funds set up for Scott are the **Scott "Bibs" Bibler Memorial Scholarship Fund** which was established by Stephanie Bibler in memory of her beloved husband to celebrate and encourage student athletes of strong character and with servants' hearts to pursue careers in education. The second is the **Bibs Memorial Fund**, this fund was established to provide assistance to underprivileged children who desire to participate in educational, cultural and musical activities or who may be in need of counseling

**To support this great cause, please sign up at our website:**
