# 2019 STAKES PROGRAM

## WELCOME TO EVERGREEN PARK

In order to maintain the beauty and environment of Evergreen Park, we require your assistance in obeying the general rules and guidelines set out by the Board of Directors and the staff at Evergreen Park.

1. Pick up all garbage in your area (whether personally yours or not) and put in garbage containers.
2. Do not park RV's, campers, tents or trailers in treed areas. Park in designated areas only.
3. Do not tie horses to trees or any chain link fencing.
4. Absolutely no fires allowed in treed areas on the Park. Permission may be given for small fires in controlled pits in open areas only. Ask the Office for permission and site visit first. Absolutely **NO FIRES** during fire bans caused by dry conditions in the Park.
5. Haul all manure to manure gathering bins or compound drop-off area only.

**NOTE:** Keep stations clear of vehicles so staff can clean bins regularly. **Put manure in manure bins, not just in front of bins**

6. Only designated Park employees are allowed to operate Park equipment.
7. Keep stalls clean, feed and water stock regularly.

**NOTE:** Mistreatment of any animals on the Park property will result in fines and those involved will be removed from the Park.

8. Keep areas around barns and Park facility clear of vehicles for ambulance or fire truck access in case of emergency.
9. All quads, golf carts or power wagons must be operated by individuals no less than 16 years of age. Maximum speed in the Park is 10km/hr. Violators will be asked to leave the Park.
10. Cutting down of any trees is prohibited and violators will be fined on first offense of \$200.00 and asked to leave the Park on second offense.

**11. ALCOHOL & DRUGS**

- a) Abuse of alcohol on premises will not be tolerated; offenders will be removed from the Park.
- b) Zero tolerance for anyone found to be using drugs (unless prescribed by a medical physician) will be removed from the premises immediately.
