

Board Nominations

JM Associates Federal Credit Union is owned by its members and governed by a board of directors elected by the members. The board consists of nine members. Each year, three of the board members' terms expire and must be filled by election at the annual meeting. The nominations committee of the board has placed in nomination the following three candidates:

Jerry Cook

Jerry has been a member of JMAFCU since May 1983 and has served on the board since 2005, plus five years previously. He retired from World Omni after 25 years of employment and holding various positions within the organization. Jerry graduated from FIU in Miami, Florida, in 1973, with a Bachelor of Science in Business Management, and he also attended Miami Dade Junior College and Florida State University. He currently serves on the Asset/Liability Management Committee, Information Security Committee and Innovations & Opportunities Committee, and he is also the Sergeant at Arms.

Marty Osborne

Marty was the manager of Financial Analysis & Budgeting for JMSC in Deerfield Beach through 2009. He joined JM Family in 1992 as Senior Information Consultant with Carnett (ITS). Marty was previously employed by Citicorp for 11 years as a manager in the Long-Term Funding department. He received a BA from Queens College CUNY and an MBA in Finance from New York University.

Marty has served on the board since 1997, is currently Treasurer, and serves on the Asset/Liability Management Committee. Some of the highlights of his volunteer service are championing risk-based lending, which increased the amount of loans at better rates to all members; active management of the investment portfolio (deposits not yet used for loans) to increase income – enabling better rates and services to members; advocating for the Helping

Hands loans that help some members get away from strangling payday, title and other exploitative loans; and always supporting lower fees for the members. Most recently, he championed the creation and implementation of our Information Security Committee, keeping us well ahead of and prepared for security requirements implemented by our regulator, the NCUA.

Carolyn Weeden

Carolyn is a Dealer Credit Manager in Southeast Toyota Finance's Commercial Lending department. She also worked for two years as a Client Relations Manager in Southeast Toyota Finance's CenterOne Financial Services third-party loan servicing division. Carolyn has been a JM Family associate since 1998. Prior to joining Southeast Toyota Finance, Carolyn was an associate of Barnett Bank for four years in various and growing levels of banking management. She is a graduate of Florida Atlantic University, where she received a Bachelor of Business Administration with a concentration in Finance and Corporate Management, as well as a master's degree in Business Administration. Carolyn has been a board member since December 2010 and currently serves as the Board Secretary. She also serves on the Asset/Liability Management and the Strategic Planning Committees.
