Q: How can I access my JMAFCU account when there is no local branch where I live?

A: SAFE IB, our online banking service, allows you to electronically access your deposit and loan accounts through your personal computer. View your current deposit and loan account balances along with several months of transaction history for each account, and even transfer funds between your JMAFCU accounts – all from the convenience of your desktop or laptop computer.

Q: How can I manage my finances on the go?

A: Download JMAFCU's free SAFE MOBILE app designed specifically for iPhone®, iPad® and Android™ devices. Wherever you are, you will have easy access to your JMAFCU accounts with our quick and convenient mobile banking app.

Search your app store for JM Associates FCU.

Features:

SAFE Mobile apps are custom designed for your phone or tablet's unique features.

Our ATM and branch locator uses geo-locator, allowing you to find the nearest location without entering your address or ZIP code.

Enjoy on-the-go management of your accounts to check balances, transfer funds and make loan and credit card payments. Also, gain access to JMAFCU's Facebook page and website.

Mobile Deposit – Deposit checks directly to your JMAFCU account using your mobile device, even when you are on the go.
