

Meet Our Team Member

Crystal Brielle

JMAFCU was fortunate to add Crystal to our team in February 2018.

Originally from Suriname, Crystal came to South Florida 13 years ago. She graduated from Florida Career College in 2017 with a Medical Assistant Certificate. She has 11 years of financial institution and customer service experience. She is known for treating everyone with respect and kindness and always has a smile for our members.

Crystal has a passion for travel, dancing bachata and Latin music. She is a dog mom to her Yorkie, Tyger. She is fluent in both English and Dutch and is currently learning Spanish. (Feel free to test her knowledge next time you see her.)

If you are in the Deerfield Beach area, make sure you stop by and meet Crystal!
