

FATHER'S DAY GIFT GUIDE

Stumped on what to buy Dad for Father's Day this year? We can help! Below, we've listed three gift ideas at varying price points, as well as some tips on how to celebrate Father's Day the frugal way. Check it out!

\$ Wallet Tool Cards: Make sure your dad is prepared for any situation with this handy, all-in-one gadget that fits neatly in a wallet and features a screwdriver, wrench, can opener and more.

\$\$ TV Streaming Services: With a variety of streaming options (such as Hulu, HBO Go® and Sling™ TV), you can give the gift of nonstop entertainment.

\$\$\$ YETI® Coolers: The premium option for Dad's camping and fishing needs, YETI coolers are heavy duty, high performing and come in a range of colors and configurations.

Of course, you don't have to bust your budget to show your dad how much you care. In fact, many of the most meaningful gifts cost very little. For instance, think about your dad's favorite hobby. Maybe he likes to fish, fix up old cars, read or spend time in the garden. Whatever it is, offer to spend Father's Day with your dad engaging in his favorite activity.

Still want to show Dad how much you care in a big way? We can help! Visit jmafcu.org to apply for our low-rate personal loan. You can get Dad a great gift and pay for it over time.

HAPPY CELEBRATING!
