

# A NEW SEASON OF COLLECTING

## A Few New Finds:

1. \$10 1890 Treasury Fr. 368 **Sheridan**. A gorgeous Ornate Back with exact centering and strong eye-appeal. Only 2 pieces graded higher by PMG—there aren't many opportunities to secure a Gem Sheridan. Recent sales approached \$25k for an identical example. PCGS Gem Unc 66PPQ. ....\$19,950
2. \$5 1886 Silver Cert, Fr. 261 **Silver Dollar Back**. A well-preserved example of an iconic banknote with a lg red seal— flip the note over and five Morgan Silver Dollars appear. There's a comment of 'minor rust' for a tiny spot under the "U" that doesn't seem comment-worthy to us. PMG VF 25.....\$3495
3. \$5 1886 Silver Cert, Fr. 260 **Silver Dollar Back**. Small red seal on Face + 5 MSDs on the back. Comment of 'edge and internal repairs' that refers to a couple sealed splits where the fold line weakened. We didn't see it before the repair, but we're confident this cosmetic work helped the aesthetics and was professionally executed. PCGS VF 20, det.....\$2795

4. \$1 1957-A Silver Cert, **Perfect 70**. Q-A Block. This has earned the highest grade in paper money collecting. PMG has only graded 3 and PCGS only 6 pieces at this level. Public auction and private sales data confirms this note in a 70PQ consistently trades hands for \$5k-\$7k. They simply don't come any nicer. PCGS Supreme Gem Unc 70PPQ. .\$.4495
5. \$2 1928-B Legal Tender, Fr. 1503. **Key to Series**. A well printed and totally original example of the key note to the \$2 Legal series. Appearances at this grade level have been scarce indeed in recent years, with the census reporting a mere handful of offerings of Gem examples during the past five years. PMG Gem 65EPQ. ....\$1995
