## About This Event

Bring joy to individuals and families this holiday season by joining Susan B. Anthony Project's
**Adopt a Family for the Holidays!**

**What is Adopt a Family?**
Each year, Susan B. Anthony Project (SBAP) invites the community to help bring holiday cheer to individuals and families who are survivors of domestic or sexual violence. For many of our SBAP clients, the holiday season can be especially difficult. With your generosity, the individuals and families who are healing from trauma can experience joy and a sense of normalcy during this special time of year.

**How does Adopt a Family work?**

- Individuals and families receiving services at SBAP create lists of holiday gift ideas for themselves and/or their children.
- Donors then review the lists and choose an individual or a family to adopt for the holidays.
- **If you choose to adopt a family, please understand that you are choosing to shop for each member of that family.**
- Donors use the list of gift ideas to shop for the individuals or families and then ship or drop off the **unwrapped** gifts at SBAP by **December 1st.**
- Our SBAP team will then wrap the gifts or provide parents with wrapping paper and bows so that they may wrap their children's gifts. *(Please consider including wrapping supplies as part of your donation.)*

**When can I Adopt a Family?**
Donors can sign up to adopt a family from **November 2nd** to **November 21st**.

**When and where do I drop off gifts?**
All gifts must be dropped off at SBAP's **Main Office,** located at 179 Water Street in Torrington, by **December 1st.** This will give our team ample time to wrap and prepare the gifts for our clients to pick up in time for the holidays.

Please park in the rear parking lot and follow the signs to the **back door**. Ring the buzzer to let us know that you are dropping off Adopt a Family gifts and a member of our team will meet you to receive your gift donation.

- Please remember to leave all gifts **unwrapped**
- Be sure to include your name, contact information, and family ID #
- Gift cards and monetary donations may also be dropped off or mailed to: **Susan B. Anthony Project, 179 Water Street, Torrington, CT 06790**

**Can I still participate even if I'm unable to shop for gifts?**
Absolutely! You can also support our Adopt a Family program by:

- donating gift cards
- making a monetary donation to SBAP's Adopt a Family program
