

Avoc-ADD-o!

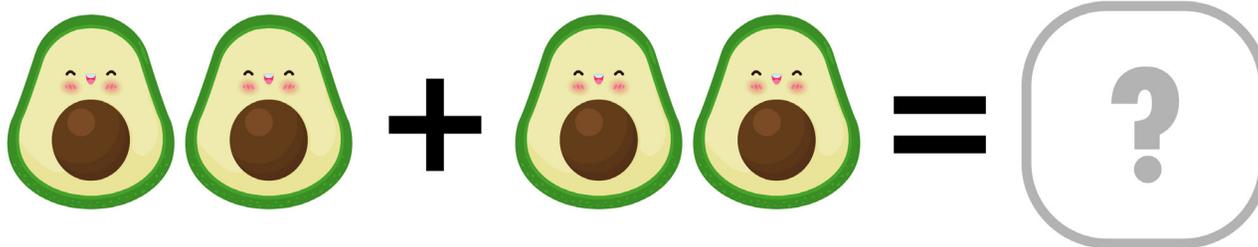

How many avocado halves are there in each row? Count how many are on each side of the plus sign, then add them together and write the answer in the space provided.

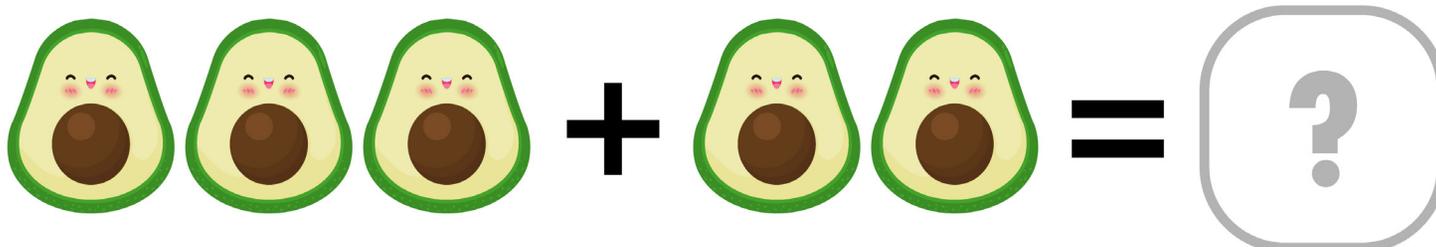

Two avocado halves are shown on the left, followed by a plus sign, then one avocado half. To the right of the plus sign is an equals sign, followed by a question mark inside a rounded square box.

One avocado half is shown on the left, followed by a plus sign, then another avocado half. To the right of the plus sign is an equals sign, followed by a question mark inside a rounded square box.

Two avocado halves are shown on the left, followed by a plus sign, then two more avocado halves. To the right of the plus sign is an equals sign, followed by a question mark inside a rounded square box.

Three avocado halves are shown on the left, followed by a plus sign, then two more avocado halves. To the right of the plus sign is an equals sign, followed by a question mark inside a rounded square box.
