973-680-4058

PRE-REGISTRATION, PAYMENT AND 12 HOUR FAST REQUIRED

BLOOMFIELD & CALDWELL & GLEN RIDGE RESIDENTS ONLY

Blood Screening (SMAC 23, Lipid, CBC w/Diff, T4): \$35.00

Blood Screening Plus PSA: \$50.00

PSA Only: \$35.00

- A blood screen contains various types of results based on the type of blood work ordered.
- This can measure blood glucose (sugar), electrolytes and fluid balance, kidney and liver function.
- A complete blood count (CBC) measures iron with a red and white blood count and platelet count.
- All of this is done to help determine infection and inflammation and to check that the body systems are functioning.

***Service is provided by
Gentle Hands Mobile
Phlebotomy***
