

Snow Plowing Advisory

Bloomfield Department of Public Works
& Parks

You May Need to Move Your Car

Below are rules for efficient snow removal on municipal streets.

(1.) If you live on a snow emergency street (see list), you are obligated to move your car once the street becomes snow covered.

(2.) Homeowners with driveways should remove vehicles from the street until plowing is finished.

(3.) Those without driveways can park in the following lots, after they are plowed:

- School playgrounds (not in facility lots).
- Recreation Department parking lots: Felton Field (Floyd Avenue), Pulaski Park (Mt. Vernon Avenue), Upper Memorial Park (Division Street), Clarks Pond South (Hobson Street) or Wrights Field (Baldwin Place).

(4.) Major roadways will be plowed first for emergency access, then secondary arteries. All streets will be plowed.

(5.) Do not shovel snow back into streets when clearing driveways.

Snow Removal Tips

- Remove vehicles from the street to improve plowing.
- Parking on your frozen lawn in snow emergencies won't hurt it.
- Leave the last three feet of your driveway (the apron) covered with snow until the plow comes; avoid shoveling twice.
- If you must clear the apron quickly, pile snow on the left side (facing your home) to reduce plow-back into your driveway.

If your car is parked on one of the below streets (or street sections) during a snow emergency, it could be towed away by police.
