"It's not just the food—it's the kindness... it makes a difference." - Sylvester

Dear Heather and Jason,

Together, we're making strides to end hunger in communities across Minnesota and western Wisconsin. Your generous contribution of **\$676.39**, to Second Harvest Heartland, received on **1/27/2026** is already hard at work helping families across the heartland access the food they need.

Your support comes at a critical time. Hunger is rising—driven by historic cuts to SNAP and the soaring cost of groceries. But because of you, together we are ensuring families experiencing food insecurity don't have to face it alone.

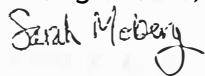

You're helping neighbors like Sylvester, who found not just meals but a supportive community at his local community meal program. The kitchen serves hot meals daily and provides a welcoming environment for everyone who visits.

"This place helps me keep going," Sylvester says. "It's not just food—it's the kindness, the way everyone treat you like family. It makes a real difference."

As we begin a new year, many families hope for a fresh start and the stability of knowing where their next meal will come from. Yet for the 1 in 5 Minnesota households facing food insecurity, affording essential groceries is out of reach. Your gift ensures that more neighbors don't have to worry about how they will fill their plates.

Thank you for your commitment to providing not just food, but stability in uncertain times, for your neighbors. Together, we're reducing hunger today and preventing hunger tomorrow—ensuring that more neighbors like Sylvester have access to nutritious food when and where they need it most.

With gratitude,

Sarah Moberg
